

Halki Island

The excursion ends with a visit to one of the most beautiful, but tiny island of Dodecanese. Wonder through the village's picturesque alleys, taste the traditional food and enjoy your afternoon coffee. You can scuba dive in isolated spots and small shipwrecks.

Alimia Island

Only 2 miles from Makri you can find this gorgeous isle. Its beaches are magnificent and there is also a ghost village, abandoned by its inhabitants after the 2d World War. Here you can grill the fish you caught earlier, explore the island, swim in its crystal clear waters, or scuba dive

MARINE

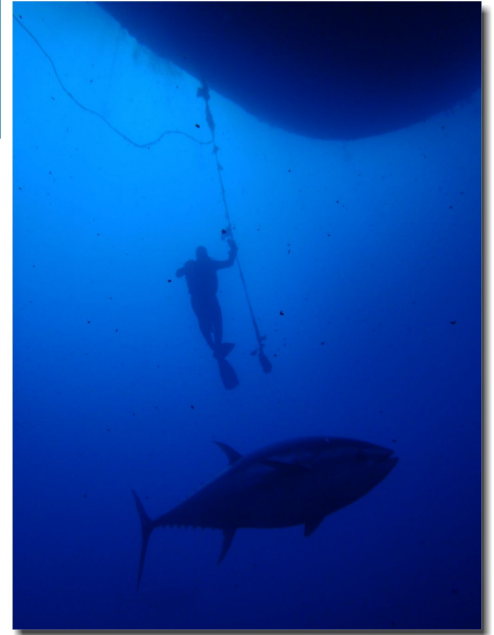

ECOTOURISM

Marine Ecotourism takes you to some of the most interesting parts of Rhodes and nearby islets, which you otherwise could not easily visit. Enjoy the beauty of nature and its wild while visiting uninhabited parts of the island which tourism has not yet touched. Enjoy unique underwater experiences snorkeling and try dive. Visit fish and dolphin habitats, fish, swim and explore nearby islets.

BLUNATURA cruiser speedboat, was designed to offer adventure through security and speed at any weather conditions. Enjoy, through galloping the waves, the beautiful landscapes of Rhodes
